OFFICE OF THE DIRECTOR

November 2000

Dear Census 2000 Partner:

I would like to thank you and your organization for your outstanding efforts in making Census 2000 a success!

In many ways, Census 2000 was unlike any previous census. There were new uses of technology, new and greatly expanded operations, more customized local and regional programs, and more encompassing outreach through an unprecedented Partnership Program. For Census 2000, the U.S. Census Bureau had the distinct pleasure and challenge of working with more than 140,000 partners—partners whose creative efforts were surpassed only by their commitment and dedication to their local community and constituents. Thanks to the hard work of all of our Census 2000 partners, we reversed the trend of declining participation witnessed in recent censuses, and increased the mail response rate over what we achieved in 1990.

The scope of this census was vast. At times the task seemed insurmountable and the challenge overwhelming, but with the help and dedication of governments, businesses, community, religious, and educational organizations, we are proud to have been a part of the "Good Census."

Again, I extend a heartfelt thanks to you and your organization for a job well done! Your role in Census 2000 had a significant impact on our successful data collection, which will in turn help your community and this country move confidently into the 21st Century.

Please accept the enclosed Certificate of Appreciation for your service and cooperation as a token of the Census Bureau's recognition that we could not have done this without you.

Thank you America!

Sincerely,

Dear Mr. Alexander:

A MILLION THANKS for your support as a Hole Sponsor during our 2nd Annual Golf Tournament on May 17th at the Harlingen Country Club. Your business logo was placed on a distinctive sign and displayed prominently for all to see! All 150 golfers enjoyed an afternoon of fun and friendly competition, and were later joined by our volunteers for a barbeque dinner, followed by team awards and lots of door prizes.

The Chamber could not possibly accomplish our many goals and carry out our countless activities and events without the tremendous support we receive from our sponsors. Please accept our sincere appreciation. We just couldn't do it without you.

If the Chamber can be of any assistance to you or KRGV-TV Channel 5, please do not hesitate to call on us.

RE: Crisis Calls from Harlingen, TX

Thank you for airing Boys Town National Hotline Television PSAs during your 1999 broadcast schedule.

After you aired our PSAs this year, the Boys Town National Hotline received 1,135 calls from parents and children in the Nielsen Designated Market Area (DMA) of Harlingen, TX!

As you know, we at the Hotline help parents, teenagers, and children find solutions to any of their problems ~ from peer pressure and relationships, to more urgent situations such as physical abuse, violence, and suicide.

But we couldn't help as many people as we do without you. By broadcasting our PSAs, you provide troubled parents and children with a way to find help immediately ~ **the impact is significant and the results are real.**

All of these callers from your community received individual care and professional counseling.

Thank you so much for making this possible.

Please accept our sincerest thanks for participating in Groundhog Job Shadow Day! We hope that your experience was a rewarding one. The students had a great time and appreciate your effort in taking time out of your busy schedule.

Groundhog Job Shadow Day is a part of a nationwide effort to impress upon your youth that the decisions they make today affect their tomorrows. Our young people must be exposed to the workplace if they are to realize the importance of dedication to education. It has been proven that children who are mentored perform better academically and make better life choices. By participating in the event, you have demonstrated your interest in our children's future while having fun meeting some of our students.

We appreciate the time you took in completing and returning the Business Evaluation Forms that were provided to you. If you have not returned a form to us, please send or fax it to the address below as soon as possible. We value your opinion and suggestions in making changes for future experiences.

Ray Alexander, General Manager
KRGV-TV 5

Weslaco, Texas 78599

Dear Ray,

Your support has been instrumental in the McAllen International Museum becoming a vital force in the educational and cultural growth of the South Texas and Northern Mexico border region. Over the past thirty years, the Museum has become McAllen's cultural icon and continues to change lives.

In May, 1999, the Museum launched the New Millennium Campaign, a public/private partnership designed to raise \$5.5 million. \$3.5 million is for construction, furniture, fixtures, equipment, exhibits and \$2 million is for endowment. We are proud to announce that the Campaign has attained more than 60% of our goal. In-kind contributions of \$1.5 million from the *media* are being effectively used to promote the project and Museum programs.

In 1999 the Museum became the 21st museum in America to be selected to participate in the *Smithsonian Institution Affiliations Program*. This program will provide a long-term relationship between the two institutions that will allow the national treasures of the Smithsonian to be shared with the McAllen International Museum. By selecting the Museum to participate in this collections-based affiliation, the Smithsonian has recognized the Museum for its quality and commitment to the people it serves. The Museum itself must continue to grow successfully to maintain the highest standards inherently necessary in this partnership.

On February 8, 2000, construction of McAllen Junior League's *RioScape* project began. This interactive science play park will be completed this month. This one acre, community built, educational play-scape will profoundly transform the Museum grounds.

Expansion plans at the Museum include the Welcome Pavilion containing a Museum Store and a Museum Theater, the Children's Discovery Pavilion, the Sculpture Courtyard including butterfly gardens, activity areas and picnic facilities. In addition, the current facility will be renovated to feature a large, new Latin American Gallery and expanded curatorial and exhibit fabrication areas. Ground breaking is planned for June, 2000. Once completed, this dynamic family learning center will provide the significant cultural and educational resources essential to the continued growth and development for the region.

Thank you for becoming a part and a partner in this great New Millennium Campaign to help enrich the lives of people of all ages throughout the Rio Grande Valley. Museums have the magical power to change lives.

Sincerely,

Pat Blum
Development Director

Dear Mr. Alexander,

On behalf of the Valley Land Fund Wildlife Photo Contest I would like to thank you, Channel 5, and Bob Gilmartin for having two of our professional wildlife photographers on "Borderline" this past Sunday. We have 150 photographers currently in the field competing for \$130,000 in prize money. This is such a unique conservation event and the only one of its kind in the world, we thank you for helping us make the Valley more aware of the natural treasures in our own backyards.

We have received so many positive comments about the show from board members and staff. I sent a letter out to the Valley Land Fund board of directors urging them to tune in to Channel 5 and Borderline.

We really appreciate KRGV-TV and your ongoing commitment to the community, the Rio Grande Valley and to the Valley Land Fund.

Dear Sir or Madam:

Thank you for your contribution toward the first silent auction held by the United Way of South Texas. We had over 70 items donated by businesses in our area. Because of your generosity, this Thank You/Recognition Volunteer Party was a special time for everyone.

The evening (Friday, March 31) included dinner ("Soda Shop" Burgers & Fries), an Awards Presentation, a 50's Costume Contest and a Rip Roaring 50's Rock N Roll Dance with music from Vince Vance & the Valiants and of course, the Silent Auction. All had a terrific time and we are looking forward to next year's event.

As a result of the donated auction items, the United Way of South Texas netted \$9640.00 to help address critical needs in our two county area. We hope that you are in a position to help us in the future and that you keep the United Way of South Texas in mind when you are looking for volunteer opportunities.

Thank you, on behalf of all that benefit from your support of our agency.

Sincerely,

Joe Vera

Dear Mr. Alexander,

February 29 was a special day at the Ronald McDonald House, in part thanks to KRGV-TV. Ronald House Radiothon 2000 was a huge success, raising over \$41,000, and the amount of awareness raised is immeasurable. Monies raised from this event make it possible for us to fund our charitable mission and provide a "Home-Away-From-Home" for critically ill children and their families throughout the Rio Grande Valley. Our operation depends on donations and volunteers contributing their efforts, and you helped make this day a reality for us. The live coverage at each newscast brought the event into peoples homes - over \$600 in pledges came from people who were "watching Channel 5." Your commitment to the community and outstanding public service is to be commended.

We invite you to visit the "House that Love Built" to see first hand where your efforts are so appreciated. Thank you for your support.

Respectfully,

Mindy Plumlee
Executive Director

Dear Mr. Alexander:

Please accept our heartfelt appreciation for your support of the Make-A-Wish Foundation® of the Rio Grande Valley. We understand that you constantly receive requests for donations, and we are honored that you chose to generously support our second annual Glass Slipper Ball. This magical night is only a memory now, but it is just the beginning for our very special "wish children".

As you know, the goal of the Make-A-Wish Foundation® is to grant wishes to children between the ages of 2 ½ and 18 with life threatening or terminal illnesses. The \$1,800 you donated as a Fairy Godmother Sponsor, as well as your personal donation of \$100, contributed to the huge success of this evening. More importantly, this will also help transform these wishes into realities for some very deserving children throughout our community. These are memories that both our children and their families can cherish for a lifetime.

Perhaps we cannot change a child's fate, but with your help we can give the gift of hope. Time and again we have seen this powerful gift can extend and improve the quality of life for a child facing tremendous challenges. So, from the bottom of our hearts, we thank you. From the Board of Directors, all the volunteers, and the very special children we so proudly serve...

Warmest "Wishes",

Ava Sandlin
Executive Director
